

Together We Transform Lives

TEAMMATESSM

MENTORING
of MALCOLM

Malcolm Public School along with several community volunteers have worked together to launch a TeamMates of Malcolm Chapter. It was officially chartered and incorporated on October 28, 2016.

About Malcolm TeamMates:

- Any 3rd – 10th grade student may participate in TeamMates and can self-nominate or be nominated by a caring adult.
- There will be weekly mentoring sessions that last around 30-40 minutes during the school year only.
- Mentoring occurs only at school either before, during, or immediately after normal school hours.
- Mentoring activities could include sharing a hobby or special interest, playing a board game, sharing thoughts or ideas, possibly helping with some homework, but mostly will involve listening and having face-to-face interactions.

How you can help:

- Sign up to be a mentor! Visit the TeamMates website at www.teammates.org for more information. Click on the “Apply to Mentor” link for application details.
- Consider a monetary donation. The average cost to support a Mentor/Mentee match is \$400. TeamMates is a 501(c)(3) Corporation so any contributions made are tax deductible. Donations can be made payable to TeamMates of Malcolm.

Program Coordinators:

- Mr. Jon Squier, Director of Student Services
 - jon.squier@mps148.org
- Mrs. Kelly Frank, School Counselor
 - kelly.frank@mps148.org

Or call the school at 402-796-2151, ext. 3 for more information
