Unified Bowling Team- In cooperation with NSAA, Special Olympics and Unified Sports Malcolm will sponsor this team. Malcolm athletes with special needs meeting qualifying criteria will be part of a bowling team where the “athletes” are paired with “partners” from the general education population and compete with other schools using the “Baker Bowling Format”. The season will begin in early October and end with the state championship occurring in the first part of December. The team will practice once a week at Sun Valley Lanes in Lincoln and have four competitions leading into district and state tournaments. The special needs athlete must meet qualifying criteria and “partners” must fill out an application and go through an interview process to be a possible selection for the team.

Head Coach: Jon Squier jon.squier@mps148.org
Assistant Coach: Amy Wyatt

Strength & Conditioning- This is a year around program with the weight lifting classes being taught during the school year as part of the curriculum, and weight lifting being offered during the summer in the morning. During the summer it is a 7:00 to 9:00 program, with lifting the first our and conditioning the second hour, Monday thru Thursday. Several of the different coaches will help throughout the summer sessions, trying to make their athletes better for their sports.

Head Coach: Matt Coufal matt.coufal@mps148.org
Assistant Coach: Cole Gore

Spirit Squad-This cheer and dance squad is chosen each spring to represent the Malcolm school and lead the spirit part of our school. They are expected to attend all home varsity activities and cheer and/or dance at these activities. They are also expected to attend tournaments and state activities. The season runs from the start of the school year until the end of the last basketball game. For more information contact the head coach. Parent help is needed in the fund raising area and to help sponsor some activities.

Head Coach: Becky Densberger becky.densberger@mps148.org

Drama-The season for one act is from August until mid-December. The auditions take place in the spring for the fall competition piece. Doing this helps to alleviate some of the chaos of the start of the school year, allowing us to being practices when school starts. Each summer the team meets once “Scripts, Swim and S’mores” where we read through the script and discuss the upcoming production and do team bonding. The team has no set numbers, anyone interested in being part of the team will be given some sort of a role in the cast or crew. Due to not having a stage or an auditorium, practices are in the mornings (to accommodate afternoon sports practices and gym usage), usually three days a week from 6:30 until 7:30 am. During the season, we have two public performances, compete in two or three festivals, conference, and district and hopefully state. The public performances have previously been on weeknights, with festivals on Saturday.

Head Coach: Tami Maytum tamra.maytum@mps148.org
Assistant Coaches: Mike Maytum
Austyn McKee

Speech- The season is form mid-December through the middle of March. We begin preparation for the season as soon as One Act is completed. Many students attend speech camps and workshops during the summer to get a jumpstart on the season. The team ranges form 25-30 students, with no auditions needed to be part of the team. Practice time varies due to availability of the kids and coaches (they are not on staff), both before and after school. During the season we attend 10-12 meets, usually on Saturday, so plan on being booked every Saturday from mid-January until the middle of March. We also attend conference, district and hopefully state. For more information contact the sponsor.

Head Coach: Tami Maytum tamra.maytum@mps148.org
Assistant Coaches: Brett Baker
Austyn McKee

Speech NFL is for the outstanding speech students who are able to qualify for the national speech tournament. Contact the speech coach for more information.

Vocal Music-is for students interested in vocal music performances. Entry into the class is by audition or permission of the instructor. Students should be able to sight read music. Students will study a widely varied repertoire of choral music representing different historical periods, styles, foreign language and cultures. There is a performance each quarter with an additional performance at District Music in April. Attendance at all scheduled performances is expected and required. There may be additional concerts not on the schedule. Students have the opportunity to audition and participate in certain honor/festival choirs and workshops throughout the year as well as take a selection to district music if space allows. They will go on one field trip each year to various nursing homes and hospital in the area.

Instrumental Music-is for students interested in studying and developing musical skills through performance of traditional band music in large ensemble, small group and solo experiences. Students must complete Jr. High band for admission or by permission of the instructor. Students will study and perform a varied repertoire of literature ranging from classical transcriptions to popular styles from different periods of history and cultures. The typical performance schedule includes one concert each quarter along with one contest performance in the spring. Additionally, students will perform as a pep band at home football, volleyball and basketball games along with post season tournament games. Attendance at all scheduled performances is expected and required. There may be additional concerts not on the schedule. Optional opportunities for students include jazz band/combo, performing solos and small groups at contest, auditioning for area honor band festivals, and participation in the periodic out-of-state trip with the high school choir.

Student Council-The Student Council runs all year with elections for the new year taking place the spring of the prior year. It is an organization for grades 7-12 with the members being elected by their classmates to represent their class. This organization starts with a pre-school meeting in August to start the leadership process and meets during the school year during study hall times. As a member of this organization they will be required to do several activities throughout the school year, and have the chance to attend both a district and state convention.

Sponsors: Jack Tarr jack.tarr@mps148.org
Kim Watson kim.watson@mps148.org

Quiz Bowl- Students try out in the fall by taking a paper and pencil test given by the sponsors. The top eight students for grades 9-12 form two teams. Practices are held during the rotating study hall period as well as before school. The two teams currently compete in two meets each, the conference meet and the “ESU” meets. The winners of the “ESU” meet at the high school level move on to state competition. Please contact the sponsors if you have questions or need more information.

National Honor Society-The Malcolm Chapter of the National Honor Society is an organization available to students who meet the criteria of scholarship, leadership, service and character. Students are first eligible the second semester of their sophomore year. To be eligible, students must have a cumulative GPA of 3.75 or higher. Students who meet this criterion are then invited to complete a Student Activity Information Form. This form is evaluated by our Faculty Council, which is a group of teachers appointed by the principal. Students who are selected by our Faculty Council will be inducted with a formal induction ceremony held at school. National Honor Society members do a variety of service projects throughout the year.

FBLA-Future Business Leaders of America is a national career student association for students in grade 9-12 who are interested in business or business education careers. Benefits of FBLA membership are leadership development, community service, networking with business and community leaders, and challenging competitions. FBLA provides the business leaders of tomorrow with the necessary skills to successfully compete in the job market, pursue postsecondary education, or manage personal skills.

Members learn how to lead and participate in group discussions by engaging in practical problem-solving and decision making activities. Students may participate in the Fall and State Leadership Conferences in Omaha. The school year begins with an ice cream social for students interested in FBLA. FBLA raises money for the March of Dimes, donated food to those in need during the holidays, promote awareness of environmental issues, and host money camp to teach elementary students the importance and impact of money.

High School Athletic Booster Organization- This is an organization that helps the athletic programs of Malcolm by hosting tournaments and activities. If you have a son or daughter who is involved in athletics we consider you a member and are encouraged to attend. Meetings are held on the second Sunday of the month with a few special meetings on a Wednesday night as needed or when there is a conflict. Officers are elected from the parents who attend the board meetings, but you do not have to be an officer to attend. Boosters host a cross country meet, volleyball tournament, basketball tournament, wrestling tournament and a track meet on a yearly basis, plus help with all conference and state activities that the school hosts. The money raised goes back into the athletic programs at Malcolm High School. Each sport will have a liaison to attend the meetings and they will be chosen by the coach at the parent meetings prior to the season.
