NSCAS is the new NeSA

The Nebraska Student-Centered Assessment System (NSCAS), pronounced "en-skass," is a new statewide assessment system that embodies Nebraska's holistic view of students and helps them prepare for success in postsecondary education, career, and civic life. It uses multiple measures throughout the year to provide educators and decision makers at all levels with the insights they need to support student learning.

NSCAS Information

- Assessments will be more complex
- Writing will no longer be tested separately, written responses will be required in all tests
- Score comparisons will be difficult to make with NDE changing the test format
- Parents should expect that student scores could be lower than previous years since we are now establishing new base scores using the new tests
- Assessments are geared to prepare our students for college and careers

Grade Level Assessments

- 3rd Grade – Math and English Language Arts (ELA)
- 4th Grade – Math and ELA
- 5th Grade – Math, ELA, and Science
- 6th Grade- Math and ELA
- 7th Grade – Math and ELA
- 8th Grade – Math, ELA, and Science
- 11th Grade - ACT

A Message from the MPTO

Thank you to all the students and parents who sold and purchased items from our MPTO Fundraiser. It was a big success and with the funds we can purchase many items for our students and teachers.

The items purchased can be picked up at school on Tuesday, April 10th from 5:00-6:30 in the commons area. Because of frozen items, we ask that you pick up your orders as soon as possible that night.

MPTO Book Fair

Buy One Get One Free
