School Matters

I know everyone's lives are extremely busy but please remember to put your child's education first. Many nights we get busy with sports, clubs, and activities and we forget to put a focus on school. Make time to ask your child about their day, work on homework, practice spelling words, practice math facts, or read. Also find time to sit down and eat as a family. This is an important time in your child's life so make school important.

Parking Lot Reminder:

If you plan to get out of your car to drop off or pick up your child, please park in a parking spot or down the hill by the playground.

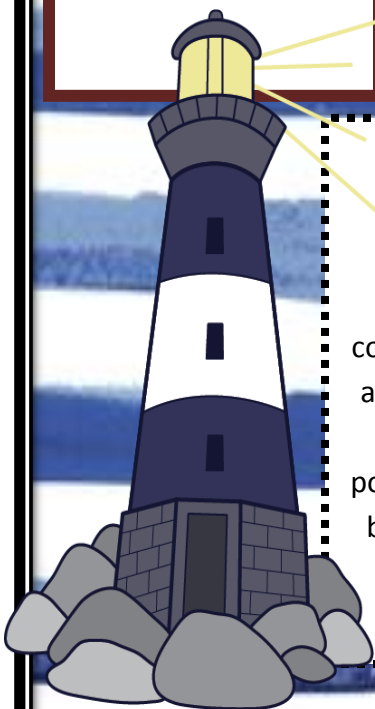

**Malcolm Public
School's Mission:**

In partnership with our community, we will provide an educational experience that maximizes the potential of each student to become a productive and responsible citizen.

K-4 Parents,

Are you on Seesaw??? All K-4 students have Seesaw which is an online portfolio of their work. The kids share stories, pictures, lessons, projects, and much much more. It's also a tool used by teachers and parents to communicate about daily activities. If you haven't connected to Seesaw, please talk with your child's teacher ASAP. We don't want you to miss all the AMAZING things your child is doing.
