On Monday, November 16th, the Board of Education approved changes (highlighted in green), to the yearly academic calendar. These changes were made to provide teachers more time to plan and prepare for lessons as they continue to deliver instruction on a dual platform (in-person and remote). This is the latest, and most current version of the calendar--additional changes may need to be made depending on the speed and progression of the pandemic. We will continue to send updates as needed. Thank you for your patience and understanding during this unusual time.
